

FP7 2013 Work Programmes International Dimension

*○ Opportunities for Latin
American and Caribbean (LAC)
Countries*

FP7 Work Programmes 2013

All relevant information available on the FP7 participants portal :

<http://ec.europa.eu/research/participants/portal>

➡ *legal basis for the implementation of FP7*

➡ *full information on the calls for proposals to be published in 2012-2013 (details of activities, budgets and calls timing)*

FP7 Work Programmes 2013

- Work programme of actions of over €9,4 billion including:

Project calls open for international partners	€4.84 billion
People (Marie S. Curie Grants)	€ 0,97 billion
Ideas (European Research Council grants)	€ 1,75 billion
Iter	€ 0,94 billion
Other (special actions, general and other activities)	€ 0,89 billion

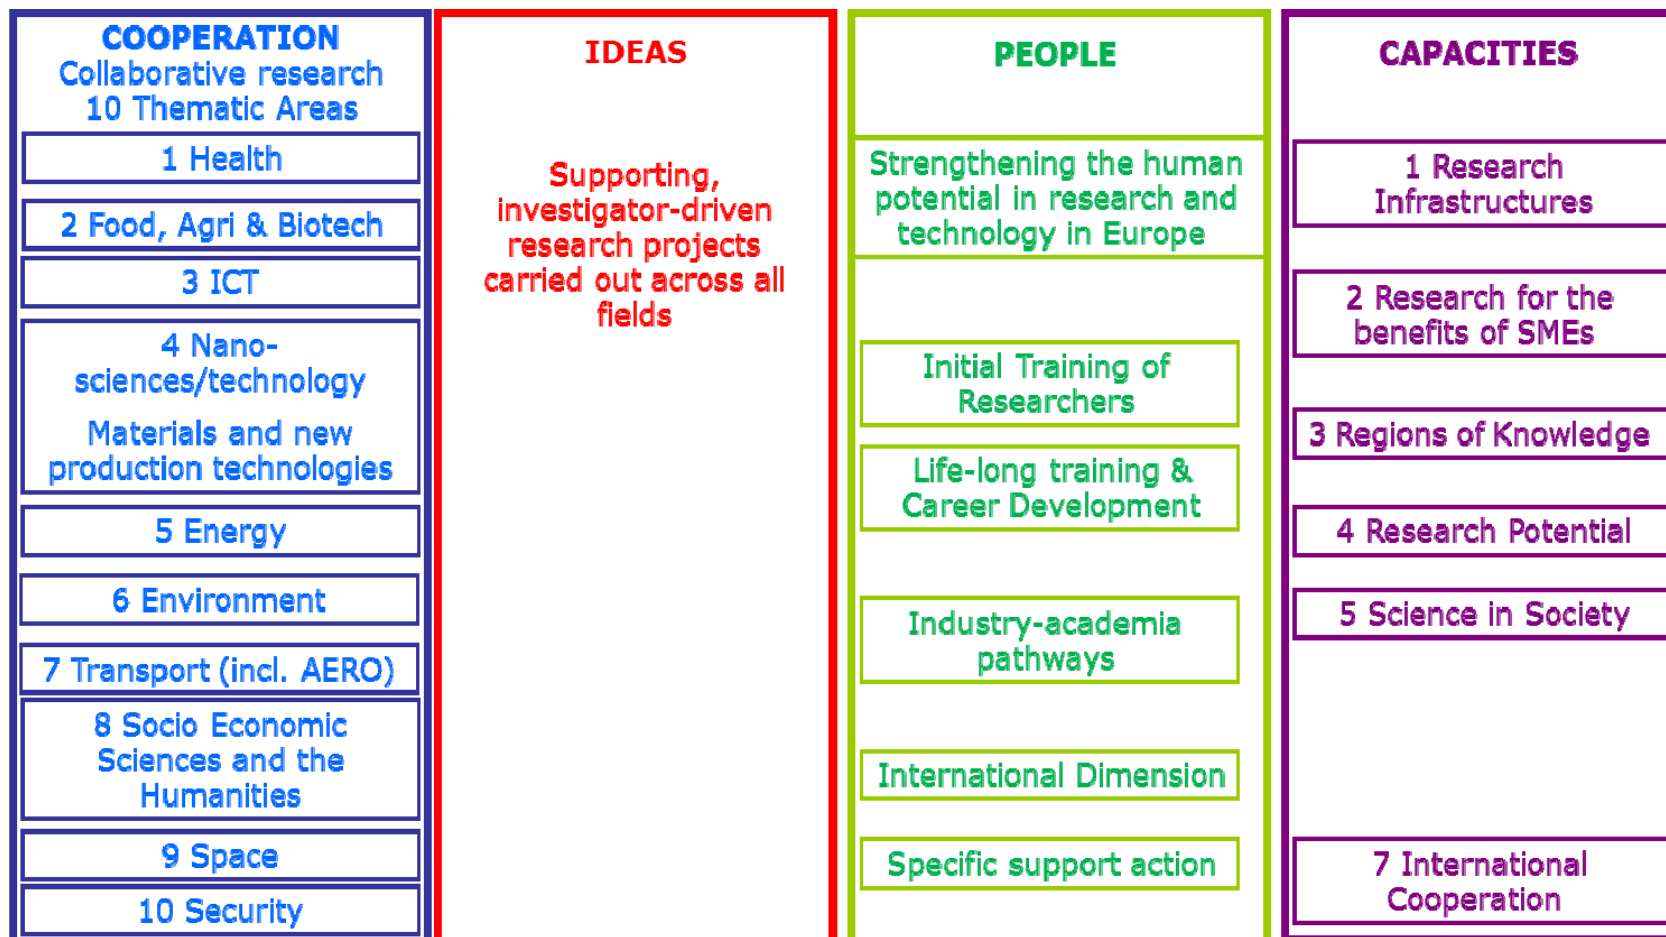

Participation of LAC countries in FP7

- All areas of FP7 open for participation for the LAC countries.*
- All LAC countries are 'International Cooperation Partner Country' (ICPC) and can receive EU funding.*
- Consortia must have the minimum required number of EU Member States/Associated Countries participants (please refer to eligible criteria in the full text of the call, through the following link:
<http://eurex.europa.eu/LexUriServ/LexUriServ.do?uri=OJ:C:2012:202:0006:0008:EN:PDF>)*

European
Commission

The 4 FP7 Specific Programmes (SP)

The FP7 "Cooperation" Specific Programme

Health

Two major calls published on 10 July 2012

Research priorities:

- Emphasis will be on innovative health research. Areas most covered are: brain research, antimicrobial drug resistance and comparative effectiveness research
- Other areas covered: developing personalised medicines approaches, cardiovascular research, safety and efficacy of therapies, cancer and public health research

Strong emphasis on SMEs and industry participation

Health – Interest for LAC

All topics of the main call FP7-HEALTH-2013-INNOVATION-1 are open for LAC participation

Topics of particular interest may include:

- *HEALTH.2013.1.3-3: Safety and efficacy of therapeutic vaccines.*
- *HEALTH.2013.2.3.0-1: Innovation in vaccines*
- *HEALTH.2013.2.3.1-2: Stratified approaches for pathogen-host interactions*
- *HEALTH.2013.2.3.1-3: Contribution to global mapping of drug resistance and identification of pathogens of major importance for public health.*
- *HEALTH.2013.2.3.3-1: Clinical management of patients in severe epidemics*
- *Health.2013.2.3.4-2: Drug development for parasitic diseases*
- *FP7-HEALTH.2013.4.1-5: Global initiative on gene-environment interactions in diabetes/obesity in specific populations*

Food, Agriculture and Biotechnologies (FAB)

One call published on 10 July 2012

Research Priorities

- Sustainable Agriculture and Forestry
- Sustainable and Competitive Agri-Food Sector for a Safe and Healthy Diet
- Unlocking the Potential of Aquatic Living Resources
- Sustainable and Competitive Bio-based Industries

Calls have an emphasis on

- Completing ERA (European Research Area)
- Stimulating innovation incl. knowledge exchange with SMEs
- Supporting European policies (e.g. General Food Law Regulation)
- Supporting international cooperation (e.g. Tackling challenges of a global nature, Millennium Development Goals)

FAB – Interest for LAC

All topics open for LAC participation

Topics of particular interest may include:

- *KBBE.2013.1.3-01: Emerging viral vector borne diseases*
- *KBBE.2013.2.5-01: Assessment of the impact of global drivers of change on Europe's food security*
- *KBBE.2013.2.3-02: Network for the transfer of knowledge on traditional foods to SMEs*
- *KBBE.2013.2.4-01: Assuring quality and authenticity in the food chain*
- *KBBE.2013.2.5-02: Saving water and energy for resource-efficient food processing*
- *KBBE.2013.3.1-01: Plant High Value Products - from discovery to final product*
- *KBBE.2013.3.1-02: « Partnering Initiative on Biodiversity in Agriculture » targeting Latin America*

The « *Partnering Initiative on Biodiversity in Agriculture* » is targeting Latin America (KBBE.2013.3.1-02)

Funding scheme: Coordination and Support Action (coordinating action)

Additional eligibility criteria:

- The requested European Union contribution shall not exceed EUR 1 000 000 per proposal.
- Minimum number of participants: 3 from different Member States or Associated countries and 3 from different ICPC from Latin America.

Additional information: one project may be funded. Participants from Latin American countries in a Science and Technology agreement with the European Union will support their participants to the project. Participants from other Latin American ICPC countries could be funded by the EU.

Cross thematic Call "Oceans of Tomorrow"

Topics of interest to LAC:

OCEAN.2013-1: Biosensors for real time monitoring of biohazard and man made chemical contaminants in the marine environment

OCEAN.2013-2: Innovative multifunctional sensors for in-situ monitoring of marine environment and related maritime activities

OCEAN.2013-3: Innovative antifouling materials for maritime applications

OCEAN.2013-4: Innovative transport and deployment systems for the offshore wind energy sector

Information and Communications Technologies (ICT)

Two ICT Calls published on 10 July 2012

Three Cross-thematic calls on Factories for the future, Efficient Buildings and Green cars – 10 July 2012

FET call - still open for proposals

Focus around number of key challenges:

- pervasive and trusted network and service infrastructures
- cognitive systems and robotics
- alternative paths to components and systems
- technologies for digital content and languages

Support also for Future and Emerging Technologies (FET)

ICT – Interest for LAC

All topics open for LAC participation

Topics of particular interest may include:

- Objective ICT-2013.10.3 International partnership building and support to dialogues – Horizontal International Cooperation Actions. The target is to support dialogues between the European Commission/the EU and strategic partner countries and regions, and to foster cooperation with strategic third country organisations in collaborative ICT R&D both within the EU's Framework Programmes (FP7, Horizon 2020) and under relevant third country programmes*

ICT – Interest for LAC

A second coordinated call or proposals with Brazil is planned.

NANOSCIENCES, NANOTECHNOLOGIES, MATERIALS & NEW PRODUCTION TECHNOLOGIES (NMP)

- *Four calls published on 10 July 2012*
- *European energy-efficient buildings*
- *Focus on smart and sustainable growth, for a greener industry. The challenges addressed include:*
 - Energy and energy efficiency
 - Environmental issues and sustainability
 - Raw materials
 - Health and safety
 - Factories of the future
 - European energy-efficient buildings
 - Green cars.

NMP – Interest for LAC

All topics open for LAC participation

Other topics in areas of mutual interest:

- *two topics in the Factories of the Future PPP (FoF.NMP.2013-3 and FoF.NMP.2013-9) are particularly suitable for collaboration at international level, particularly under the IMS (Intelligent Manufacturing Systems) scheme.*
- *NMP.2013.4.0-5 Deployment of societally beneficial nano- and/or materials technologies in ICP countries*

Energy

One call published on 10 July 2012

Focus on the implementation plans and road maps of the European Strategic Energy Technology Plan (SET-Plan)

Aim to accelerate research, development and market take up of most promising technologies in:

- Smart Cities and Communities
- Renewable Energy
- Carbon Capture and Storage (CCS);
- Smart Grids and Energy storages

Energy – Interest for LAC

Under "renewable energy", the focus is solar, wind and bioenergy

All 3 are in the EU-LAC energy roadmap, therefore possibly interesting for LAC

Environment

One call published on 10 July 2012

Focus on :

- addressing major societal challenges
- developing and strengthening European leadership in environmental innovation; and
- promoting and facilitating knowledge transfer, assessment, uptake and exploitation of research and Innovation data and results in policy, industry and society

Environment – Interest for LAC

All topics open for LAC participation. Topics of particular interest :

- All topics under ENV.2013.6.1 "Coping with Climate Change"*
- ENV.2013.6.5-4 Knowledge platforms, networking and uptake of research results for more strategic international R&I cooperation – FP7-ENV-2013-one-stage*
- ENV.2013.6.2-6 'Improved monitoring of the impact of cultivation on the environment using global earth observations'*
- ENV.2013.6.3-3 'Contribution to the assessment of global water resources through the use of new earth observation datasets and techniques'*
- ENV.2013.6.4-3 'Coasts at threat in Europe: tsunamis and climate-related risks'*
- ENV.2013.6.5-1 'Accelerating progress towards the Green Economy'*

Environment – Interest for LAC (2)

- *ENV.2013.6.4-3 'Coasts at threat in Europe: tsunamis and climate-related risks'*
- *ENV.2013.6.5-1 'Accelerating progress towards the Green Economy'*
- *ENV.2013.6.5-4 Knowledge platforms, networking and uptake of research results for more strategic international R&I cooperation (North Atlantic region)*

Transport

Five calls published on 10 July 2012

- ✓ Aeronautics and Air Transport (four calls)
- ✓ Sustainable Surface Transport (one call)

Strategic research and innovation priorities for 2013:

- Aeronautics and Air Transport
- Sustainable surface transport (including the 'European green cars initiative')
- Horizontal activities
- "Galileo" (Europe's initiative for a state-of-the-art global satellite navigation system)

Transport – Interest for LAC

All topics open for LAC participation

Themes of particular interest may include (depending upon the country):

- Road Safety and Security*
- Intermodal freight transport, e-logistics*
- Bio fuels for transport*
- Airports, navigation*

Transport – Interest for LAC

In particular LAC countries are targeted in 2 topics:

- *a coordination action in Aeronautics (AAT) in the field of sustainable alternative fuels for Aviation, where cooperation with **Brazil** (and the USA) is specifically mentioned;*
- *a coordination action in Surface transport (SST) in the field of green urban transport encouraging cooperation between European cities and cities accross the world, where **LAC countries** are specifically mentioned (together with China and Singapore).*

Socio-Economic Sciences and the Humanities (SSH)

Three calls published on 10 July 2012

Four priorities for 2013 work programme:

- Underpinning innovation for smart growth
- Public sector reform and strengthening governance in the EU
- Inclusive and sustainable growth
- Support for developing the external policies of the European Union

SSH – Interest for LAC

All topics open for LAC participation

One topic calling for international cooperation which may be of particular interest include:

- SSH.2013.2.1-3 The role of multinational companies in addressing global development challenges*

Space

Calls published on 10 July 2012

Strategic research and innovation priorities for 2013:

- Earth observation/GMES
 - Climate change monitoring from Space
 - Remote sensing methods and development of downstream services
- Space science and technologies
 - Exploitation of space science and exploration data
 - research preparing for space exploration
 - Space-weather
 - Security of space assets
- Cross-cutting activities
 - SME relevant research
 - International cooperation with third countries

Space interest for LAC

All topics open for participation from ASEAN

*Themes of particular interest may include
(depending upon the country):*

– ***Earth observation***

- *Marine and coastal monitoring*
- *Deforestation*
- *Climate change and air quality monitoring*
- *Disaster management*

– ***Space Foundations***

- *Exploitation of space data*
- *Avoidance and removal of space debris*

Security

One call published on 10 July 2012

Seven activity areas:

- **Security of citizens**
- **Security of infrastructures and utilities**
- **Intelligent surveillance and border security**
- **Restoring security and safety in case of crisis**
- **Security systems integration, interconnectivity and interoperability**
- **Security and society**
- **Security research coordination and structuring**

Security Interest for LAC

All topics open for participation from LAC

One topic of potential interest, which calls for international cooperation:

- SEC-2013.2.4-1. Phase II demonstration programme on logistics and supply chain security*

FP7 "Capacities" Specific Programme

Research Infrastructures

One call published on 10 July 2012

Main lines of action:

- Focus on the support of the next phase of development of research and education networks in Europe (GÉANT), one of the main pillars of the online European Research Area

Research Infrastructures – Interest for LAC

All topics open for LAC participation

The international dimension of GÉANT will be encouraged, in particular by:

- ✓ *ensuring global connectivity and interoperability,*
- ✓ *developing an open, virtualised and multi-domain tested facility and expanding it globally.*

Science in Society

One call published on 10 July 2012

Focus on enabling responsible research and innovation (RRI) in the European Research Area

All topics open for participation of LAC

International Cooperation

Four calls published on 10 July 2012. Focus on:

- Bi-regional coordination of S&T cooperation including priority setting and definition of S&T cooperation policies (FP7-INCO-2013-1, INCO-NET)*
- Bilateral coordination for the enhancement and development of S&T Partnerships (FP7-INCO-2013-2, BILAT)*
- Supporting the coordination of national policies and activities of Member States and/or Associated States on international S&T cooperation (FP7-INCO-2013-3, ERA-NET /ERA-NET PLUS)*
- Supporting the trans-national activities of International Cooperation NCPs (FP7-INCO-2013-4, INCO-NCP)*
- Reinforcing cooperation with European Neighbourhood Policy countries on bridging the gap between research and innovation (FP7-INCO-2013-9, R2I-ENP)*

International Cooperation -LAC

Of specific interest for LAC are:

- Bilateral coordination for the enhancement and development of S&T Partnerships (FP7-INCO-2013-2, BILAT) → *Mexico*
- Supporting the coordination of national policies and activities of Member States and/or Associated States on international S&T cooperation (FP7-INCO-2013-3, ERA-NET /ERA-NET PLUS) → *Latin America and Caribbean*
- (Supporting the trans-national activities of International Cooperation NCPs (FP7-INCO-2013-4, INCO-NCP))

FP7 "People" Specific Programme

Marie Curie

Eleven calls to be issued between July 2012 and March 2013

Most Marie Curie Fellowships are open to LAC researchers

Marie Curie World Fellowships – Interest for LAC

Topics of particular interest may include:

- IOF: International Outgoing Fellowships
- IIF: International Incoming Fellowships
- ITN: Initial Training Network
- IAPP: Industry-Academia Partnership and Pathways

FP7 "Ideas" Specific Programme

European Research Council (ERC) Grant Schemes

Ideas Programme

Applications can be made in any field of research - particular emphasis on the frontiers of science, scholarship and engineering;

*All calls open to researchers of **any nationality** who intend to establish and conduct partly their research activity in any EU Member State or FP7 associated country*

Starting Grants call - July 2012

Advanced Investigator Grants call - November 2012

FP7 info-days and brokerage events for the 2012 calls:

ICT Proposers' day 2012, September 2012, Warsaw, Poland,
Deadline for *application* on: 20th July 2012

http://ec.europa.eu/information_society/newsroom/cf/news.cfm?item_type=calendar&tpa_id=7

International Cooperation Info day, Brussels, 11 July 2012
(auditorium Tour Madou, 9h30 - 16h30)

Where to find a call?
